

Dalguise Activity Chess Weekend

Friday 3rd until Sunday 5th October 2008

Due to the continuing success of Dalguise Activity Chess Weekend we are again arranging a similar event by popular demand, which is to be held at Dalguise Activity Centre near Dunkeld in Perthshire, central Scotland from the 3rd until the 5th of October 2008.

The aim of this residential weekend is to provide young people who play chess with a fun, challenging, interesting and social weekend including exciting activities and a chess tournament. It is an opportunity for juniors who play chess to build friendships in a fun, relaxing environment with those who share a similar interest. It also combines a mind sport with physical activities such as abseiling, challenge course and the climbing wall to name only a few! This event is **NOT** invitational, it is open to all those who wish to take part however please register your interest by email, followed by a prepayment of £45 and completion of parental consent form as soon as possible before 31st May 2008, as numbers *will* be limited!! This event has gained an excellent reputation and continued to grow in numbers over the past 4 years; it is considered by many to be the top junior Chess event in Scotland and is thoroughly enjoyed by all who have attended; young and those young at heart!
